From the west

My Brothers, December looks to be an especially busy month. Election of Officers for 2009 will be on the 1st, William Royal will be receiving his Entered Apprentice Degree on the 8th, Work on the new roof will have begun on Nov. 17th, Planning for the upcoming year has begun, Installation, Officers will be 05 Jan 09, Etc. It is good to see new Brothers starting their journey through the chairs, also, those not so new Brothers continuing to learn as they move through the chairs. I myself being fairly new to Masonry. My journey so far has been quite interesting, moving through the different stations. As I look towards next year, I would like to send out a personal invitation to all the Bothers of Composite Lodge who are able to make it to Lodge, to come out and join us. I would enjoy meeting with you all. It is definitely true, (you get out of Masonry what you put in to it). Fraternally Sean M^cNutt
