MASONIC EDUCATION for FEBRUARY:

Mentor: Friend and advisor, a wise advisor, a teacher or a coach.

My Brothers, when we initiate a petition for the degrees in Masonry. We are then required to “Mentor” the candidate to which we recommend by that petition. This is a life long commitment. If in your judgment your candidate is Masonic material, he should have your strong admiration, and you must be willing to foster him through his Masonic life. A Men tee and or a Mentor cannot, be arbitrarily assigned. There must be another common strong association. A desire to participate in each others, Masonic lives for the unselfish betterment of the other. This is a necessary and fundamental truth. Without this single element of grand mutual respect, one cannot Mentor or be Mentored. Look to Mentoring as an obligation when facilitating a Petition for membership in Masonry.

Fraternally, Thomas W. Davis - Worshipful Master

FROM THE SOUTH:

My Brothers; I would like to thank all of you for the opportunity to have served in the East last year. I appreciate all the support given by the Craft, and by the members of our appended bodies. Without all of this assistance, none of our activities, could have been accomplished. When I was in NCO Leadership School, I was taught, that leadership is the art of influencing and directing others towards the accomplishment of a common purpose. The three required elements for this are the leader, his followers and the goal or purpose. Although the role of the leader is important, being a good follower is just as necessary to, for the group to accomplish its goals. For this reason, I will continue to serve Composite Lodge as its Junior Warden. The Lodge needs good followers too, and I appreciated those who followed me last year. Hopefully, I can be as good a follower for Worshipful **Tom Davis** as he was for me, during my year in the East.

Lastly, I would like to thank my family; most especially my lovely wife **Abigail**; without whose support I could not have enjoyed the successes that I did. Perhaps if all of us are nice to her, we can persuade her to cook some of her delicious food!

Fraternally, Timothy L Parnell PM, Jr Warden
