Sickness & Distress	Jesse Williamson, PM	(407) 273-3833

FROM THE EAST

My Brothers;
 November is a time for us to give thanks for the many blessings bestowed upon us by the Great Architect. It was in this month that Founders of our country gathered together to celebrate a successful harvest; and the continuation of their colony that it represented. We at Composite Lodge have much to be grateful for; not the least of which is our right to assemble and join in fellowship with one another. And as with our ancient brethren, the successful passing of each year represents another triumph of which we can be justly proud.

All over the world, people continue to struggle to get where we are. It's difficult for us Americans to imagine living in daily fear for our survival. The peace and prosperity we enjoy here were paid for long ago by our ancestors; and our continued success has depended upon subsequent generations to step forward, when our way of life was threatened. You can best honor those

who made this country, by your continued support of its institutions. The rights to vote, to speak your mind, and to assemble with your fellows are but a few of these. Get involved as often as you can; and give thanks to the Great Architect for the right to do so.

Fraternally, Tim Parnell, Worshipful Master

THE BRICKS ARE COMING!

Composite Lodge will begin selling Commemorative Bricks next month for its "Walk of Fame" in front of the Lodge. This will be a limited time offer, since these bricks are no longer made. Once they're gone, so will your opportunity to remember a loved one or a special event. Prices will be provided, based upon lettering and custom work. Contact **Sean "Rocky" McNutt** at (407) 342-1142 for details. Don't let the opportunity to leave a permanent legacy at Composite pass you by!

FROM THE SOUTH:

My Brothers;
 As the 2007 Masonic year is coming to a close, it becomes most important, that we consider what direction our Lodge will be heading in 2008 and beyond. There are always things that can be improved upon; to both sustain our Lodge, and to nurture its growth; going forward. Our Lodge needs its Brothers to step up to fill the Officer's Chairs for the coming year. Decide how you can best serve your Lodge, and then commit to it. Never forget that when you step up to fill a chair, our Lodge has a right to expect a brother to honor their obligations to that chair and to the Lodge itself.

A personal "thank-you" to the Fellowcraft Degree Team, for all their support of my leadership from the East. Thanks to **Bill Valentino** for another great lecture. And, last but not least; I want to thank my Bride **Jane Davis** for all her efforts to help me and the South to be successful.

Fraternally, Tom Davis, Junior Warden

- Special MM Degree

A Master Mason degree will be held at Composite on November 5th for Brother **Charles Farrell**. Brother Farrell has been a valuable asset to the Lodge; even before petitioning for the Degrees of Freemasonry. But he's now struggling with cancer, and needs your support and prayers. Worshipful **Ralph Valedo** will be leading this degree from the East, and he asks for all brothers to assist him where possible.

- Members of Composite Lodge;

Your very own Bahia DeMolay is having their annual Turkey Dinner on Nov. 18th from 11:00 am to 3:00 pm at the Bahia Shrine. The cost is \$7.00 for adults and \$4.00 for children under 12. For tickets, contact myself, Dad Tony or Dad Larry. Your support is greatly appreciated!

Thanks! "Mom" **Athena Mock**

WANTED:

- Committeemen! Look over the list of Committee Chairman and see what you would like to help with. Give them a call; they could always use your help as well as ideas for new activities!

November Calendar
