FROM THE EAST

My Brothers;

You don't have to attend Lodge regularly to help out the Lodge. A lot of us feel the cable tow of our busy schedules; so the idea of attending a Stated Meeting twice a month can seem like a challenge. But if the idea of a scheduled meeting seems too much, consider some of your other choices. None of these require attendance at a Stated Meeting.

We always have a need for Mentors for our new candidates and brothers. You can meet with these men at your own time and place; whatever you can work out between the two of you. A lot of the more experienced brothers would like to see our newer members follow their lead; and this is a good way of making this happen. These brothers could also benefit from your experience with the catechism; practice this with them. If you signed their petition, why not assist with the rest of the

process?

Petitions need to be reviewed, and candidates need to be investigated. These can be done from your home, with the phone and with interviews. There are even forms you can use, to ensure you cover all aspects of an investigation. This is really the "Front Door" to our fraternity, and the quality of your fellow brothers will depend on how seriously we handle this. You could play a part in this vital activity.

Help with Lodge activities. Pitch in, if you know something is going on that you're interest in. There will be phone calls to be made, flyers to be printed, tickets to sell, and food to be prepared. Degree practices can always use extra hands, even if you won't be in the actual degree. Read your Trestleboard, and find out what your Lodge is planning.

Finally, there are the Committees, which can always use your help. The Lodge Property Committee is always looking for handymen, as well as those who can contact and meet with repairmen. All of our charitable and community programs need people to help plan and to do their work outside the Lodge.

Remember my Brothers; we always make time for the things we care most about.

Fraternally, Tim Parnell , Worshipful Master

LODGE SHIRTS

Any Brother that would like a lodge shirt should contact **Chris Benitez** via email at chris@thebluearies.com or via phone at 407 739 2916. He will need the size shirt they take,

whether or not they want a pocket and what color shirt they want.

FROM THE SOUTH:

My Brothers

Composite Lodge will be holding a Fellowcraft Degree on October the 8th. In addition to providing Refreshment, I will be sitting in the East for this degree. The 8th is rapidly approaching, so **I am looking for Volunteers** to fill the chairs. If you sat for the last Fellowcraft, I would appreciate you stepping back into that chair. Practices for October will be on the 3rd and 6th, with extras as needed. Call me (407) 656-0268.

I continue to thank my Bride Jane Davis, for all of her support for the Meals at the Lodge. The cooking and clean-up are much appreciated by all.

Fraternally, Tom Davis, Junior Warden

WANTED:

-Mentors! We continue to get new candidates for the degrees of Freemasonry, and they need your help. We would like some of the more experience Masons to go over the Masonic Training material with these newer members. Arrangements on where and when to meet can be made by calling the Lodge. This is your opportunity to make a difference for our next generation of Masons!

-A Web Site! It's high time our Lodge communicated with their neighbors the way the rest of the world does. Someone needs to look into the costs / options as well as the actual appearance of the website. This would be a place where interested men could learn about whom we are and what we do. You could be the person that sets this up!
