FROM THE EAST

Greetings my brothers. The electronic Trestleboard will go out first because of problems with the labels. I hope to have this resolved shortly, with a mailed Trestleboard to follow. If you are not receiving the electronic Trestleboard, it means that I do not have your e-mail. If you would e-mail me at jdavis53@cfl.rr.com with "Trestleboard Requested" on the subject line, then I will add you to my address book.

Some have proposed that the trestleboard not be mailed to those receiving it electronically. This appears on the surface to make sense; however, if we did this, we would lose our bulk rate. The discounts for bulk mail are substantial, and this would actually result in increased cost to the Lodge.

R . . W . . Ray Cox has offered to help us with our perpetual membership issues with Grand Lodge. I am compiling a list of those Brethren effected by this. We have been in contact with Grand Lodge to allow us to issue new checks backdated to the original date of issue. The Lodge has voted to reimburse the effected Brethren cost of stopping payment on the original checks. I will keep you posted about this matter.

Jim Davis, PM
