Worshipful Master

Brethren,

Greetings from the East! My phone has been quite busy over the last month; no one told me there would be this much work! I have traveled to several installations, and the ones I could not attend there was a presence from Orange Lodge. Thanks to those tireless working brothers who really give Orange Lodge its name.

Please make every effort to attend Lodge. If you need a ride, call me directly and I will come get you. Meetings are becoming more fun. During our meetings we have lots of good Masonic education with a quick pun from time to time. There are also pressing issues coming to light. One such issue is the fact there may be an offer to purchase the lodge property. Details are still forthcoming. Remember, I cannot make that decision it is OUR lodge. If you do not attend the Lodge meetings how are you to know what's happening.

On a last note, we are brothers. Remember our brothers in their time of need. There has been a lot of misfortune of recent to several brothers. Let's band together and help each other. Lastly, several presiding Masters have a little treat up our sleeves. Want to know what it is? I'll tell you. At lodge!

God bless!

My fraternal regards,

Edwin F. Chittenden, III, Worshipful Master

Three Types of Lodges

There are three different types of Lodges of Free and Accepted Masons authorized by the Charter of the Grand Lodge; they are Subordinate, Individual and Particular. The Subordinate is a Lodge in a lower class to Particular, such as a Memorial Lodge. The Individual Lodge is a Lodge with jurisdiction over certain individuals, such as a Military Lodge. The Particular Lodge is a regular Lodge with territorial and personal jurisdiction, with authority to confer the degrees of Entered Apprentice, Fellow Craft and Master Mason, and to elect and install its Officers.
