Worshipful Master

Brethren,

Thank you so much for electing me to serve in the East for 2010! I am really excited for this year. I have some tricks up my sleeve for this year, so come to the next communication and see what we are doing. We will have a spaghetti cook off this year and perhaps a chili cook off. The communications will be short, sweet and to the point...but we will focus on Masonic education this year. We will also focus on charity, which is the greatest gift.

If anyone needs assistance getting to lodge please contact any officer and we will help. Look forward to seeing you soon, and God bless.

As a final note I want to thank everyone for attending our installation of officers. It was really heart warming to have so many brothers, sisters, and friends attending the ceremony. Also I want to thank the installation team for you brothers were outstanding.

My fraternal regards,

Edwin F. Chittenden, III, Worshipful Master

Masonic Education

Ritual (GL208)

The Ritual is designed to be effective in the inner life of the candidate, a genuine moral and spiritual experience by which he enters a new kind of life wherein he will stand obligated to perform duties and make self sacrifices; the obligations he will take will be morally and Masonically binding on him and his vows must be genuine or he will be led into harmful hypocrisy. On any other interpretation of it, the ritual degenerates into play, into an empty ceremony, self-falsified and without meaning, and the whole structure of Freemasonry is shattered.
