## FROM THE SECRETARY'S DESK

The deadline for Perpetual Membership 50% increase is **June 10th**. If you are interested please contact me.

SSL has received petitions for the 3 degrees from :

Mr. James Anthony Batenchuk  
Mr. Jeffery Don Albritton

Tom Hoopes Secretary

## FROM THE EAST

SSL is on the come-back trail. We are steadily initiating, passing, and raising new Brothers. We need ALL or you for the degree work ahead. Please try to attend the ritual practices, especially on the 2nd and 4th Mondays. @ 6:30pm

Our Lodge can grow, prosper, and rebuild what has been lost . Or, it can sit idle and fade into obscurity. IT IS UP TO ALL OF US ! SSL needs **active** members to move forward . YOU are needed at dinner, at Lodge meetings, at initiations, and for charity and youth events. We need your wisdom and experience . The younger Brothers and need your wise counsel and knowledge.

Don't leave all the important decisions to a small handful of brothers who regularly participate.

Skip Yonchik, Wor. Master

## **Important Issues to Address !**

**Our Secretary and Treasurer will both be unavailable for service next year.** We need two interested brothers to immediately become their apprentices..and be willing to serve in 2010 if elected. Please make yourselves known to me or Tom Hoopes as soon as possible. There will be other opportunities to enter the officer line in 2010. IF you are interested and available...please make that known to the East via email or telephone. Planning is beginning for next year NOW.

**Our Stated Communications moving** to Wednesday nights was authorized by GL on a limited trial basis. Brothers indicated that they would be able to attend **more** meetings on Wed than our regular Monday. From the attendance numbers...THE TEST HAS FAILED. We have actually seen a **decrease** in attendance since the change. We will move back to MONDAY nights when the dispensation expires, starting with Stated meetings in **July**.

**Lodge Rebuilding:** structural plans are done, electrical and mechanical designs are ongoing. Aaron Peck is doing the fire protection plan now. We should be ready for permit and contractor bid solicitation in August. The plans are available for your review at stated meetings. **SSL is on the way back to our own home !**

## **Youth Groups**

Hope Assembly #82 is proud to have one of their own, Becky Dunlap, as Grand Worthy Advisor this year. She and her "court" are busy preparing for the Rainbow Grand Assembly at the end of June. They are also busy raising money for their target charity, and to cover expenses for their attendance at the Grand Assy. Look for them at the Shrine and help if you are able....please support our FUTURE !

## What is your OPINION?

If you have thoughts or ideas, but are unable or uncomfortable with expressing yourself in meetings....please send an email to

**rebuildssl364@embarqmail.com**

You issues will be addressed in a confidential manner. Good, or bad, we need to know where the Craft stands on important topics.

## UPDATE Your Contact Info

We need to be able to reach you...especially as we send more out electronically. Please send Tom Hoopes an email and include your current mailing and phone numbers.

## This is YOUR Trestle Board

The TB is a living document that needs to be fed. It needs your inputs and ideas. If you have an announcement, important date, or topical issue, email it. To [dyonchik@embarqmail.com](mailto:dyonchik@embarqmail.com) by the 20th of each month and it will be included.
