Happy Birthday to all the Brothers born in May

From the Secretary

LAST CHANCE:
There are still 5 Brothers that owe their 2008 Dues. Check your Dues Card and make sure it is not you! These Dues need to be paid by December 27th or you will be suspended.

Well Brethren, we had a great month. We started out this month again by winning the Traveling Cup at Masters and Wardens. We had four of our elected officers as well as a couple of other Brothers. Two months in a row. Thank you to all those that showed up. Remember Brothers, Masters & Wardens is for every mason, not just officers. It is very educational , and the best way to find out what other Lodges are doing.

Well Brothers you don't want to miss lodge this month. We have some special events during our May meetings. On may the 7th we have Wor Martin Schwable and crew coming in to do the history of our Flag program. I hear it is a great program. Then on May 21 we have RW Curtis Johnson coming in to speak to us about the new mentoring program. We also have a lot of new applications coming in. It is a great time to come out and enjoy some Masonic Fellowship with your Brothers. If those things don't bring you out then maybe the great food will. I know all of you like to eat and we have really had a treat this year. Our Sr Warden is setting new records for selections and creativity with the dinners. If you have not been to one it is your loss. Please come join us.

Brothers, in these tough economic times of people loosing their jobs and homes, the Mason Lodge is still a great deal and the best place to go when you are struggling. Remember we are a society of friends and Brothers. So in case you have forgotten, your Brothers are here for you. Your Lodge is here for you. Let us help you through these times.

I look forward to seeing all of you this month. If you have not been to lodge in a while we welcome you back.

Remember Brothers, you get out of Masonry exactly what you put into it. I hope you are getting your share of what this great fraternity has to offer.

Fraternally, W: Scott Penvose

Our work on the building has been progressing, thanks to Gary Story and his many helpers.
The kitchen is in the final stretches to completion. The floor and counters will be done soon.
We continue to practice every Monday and Wednesday at 7pm.
Dan Anus has donated and delivered even more mulch for our planter beds.
We had a great meal and guest speaker our last meeting and I welcome everyone to come visit on our next dinner night.

Brethren, our next supper night will be on 5-21-2009. The meal will be served at 6:00p.m. We will be having a Mother's Day celebration to honor all of our ladies who support us as Masons. We will be having Shepherd's Pie, green beans, tossed salad, corn bread, and desserts. As always, we would love to have desserts or specialty dishes to add to our meals.

Thank you, Bro. Gary Story
